

## **KIDS SUPPORTING BIRTHRIGHT CLUB**

This is open to kids 18 or younger alone or in groups who wish to do special events for Birthright Counseling St. Louis. This has included in the past, kids dedicating their birthday parties to collecting baby items instead of receiving gifts themselves. It could include Sunday school classes, scout troops or kids wishing to do community service by collecting necessary baby items (diapers, wipes, blankets, onesies, etc.) or supporting events to collect funds or sponsor baby showers for our clients. For more information on how you or your group can help, please call our main office number **(314) 962-5300**.
